

MR. MOSER: I would like to defer to Mr. Morrison.

MR. MORRISON: Your Honor, it is extremely important. I beg the Court's indulgence.

THE COURT: Do you want to go outside?

MR. MORRISON: Thank you.

I think on Davenport we should have it that the Jury should be outside of the room.

MR. BOLAND: Could we see you at sidebar, first, before we do that?

(Sidebar conference is as follows):

MR. MORRISON: I was just handed a note relative to the family, and this last thing, what he meant by this, he told me that he overheard the decedent's father say something to one of the Jury Members.

MR. BOLAND: In the court while we are all here?

MR. MORRISON: I don't want to get into it. That is why I wanted more time.

THE COURT: We will take care of it after he finishes with this Witness.

MR. MORRISON: I don't know.
